

DEMATRIX: ACTIVE CONSTITUENTS

Homeopathic preparations which aim to strengthen the body by mobilising its own defense processes, according to the prescriptions and protocols of renowned doctors and academics. Homeopathy treats acute and chronic diseases, helping to cover a wide range of human pathology.

Homeopathic nosode preparations, containing information about viruses, bacteria and other pathogenic microorganisms in inverted form. The inversion technique aims to 'turn off' specific infections within the human body, with the aim of resolving the respective issue associated with each individual DeMatrix.

Herbal preparations or Phyto-preparations specially chosen to have a beneficial effect on the cleansing, detoxification and stimulation of the related organs and body systems.

Therapeutic frequency programs stored within the DeMatrix as information, in order to stimulate an immune response that will lead to the body's rehabilitation.

HOW TO USE DEMATRIX

- Usage: use daily, during the day, for 3 to 6 months, according to how you feel.
- Alternatively, a pendant can be worn at night. Please ensure it has direct contact with your skin.
- To enhance recovery, add an additional DeMatrix pendant or switch to DeVita Ritm+ and DeVita AP+.
- It is permissible to use a maximum of two DeMatrix pendants simultaneously on a neck strap (included) or on different parts of the body in any combination. In this case, it is recommended to monitor your body's reaction to the effects of the DeMatrix pendant combination used.
- Whilst using a DeMatrix pendant, it is recommended to drink at least 1-1.5 liters of clean drinking water daily.
- The pendant must be removed before any contact with water (bath, pool, sauna, etc.)
- To extend the life of the DeMatrix, each time you remove the pendant from your body, place it back into its protective metallic envelope (included).
- There is no age limit for using the DeMatrix pendants.
- Occasionally some discomfort may occur when first using a DeMatrix pendant. This is a normal reaction as your body adjusts and rebalances.

CAUTION! The pendant is only suitable for individual use. DeMatrix may only be used by children whilst under adult supervision.

CONTRAINDICATIONS: Possible sensitivity to the materials of the pendant.

BIO-CORRECTIVE DEMATRIX PENDANTS

DEMATRIX FOR BIO-ENERGETIC HARMONY AND BIO-CORRECTIVE REHABILITATION

DeMatrix pendants are the new product platform of Deta Elis Holding, resulting from many years of experience, by collaborating physicians, in the use of homeopathic preparations, combined with the company's expertise in the field of therapeutic frequencies.

Each DeMatrix pendant contains the energetic imprints of four different therapeutic factors working synergistically together to support the body to regain its normal healthy state, both physically and mentally.

TWO NEW DEMATRIX PENDANTS

DeMatrix "Healthy Pancreas" normalises the functioning of the pancreas and liver, has anti-toxic, anti-inflammatory and regenerative effects and reduces the risk of the exacerbation of chronic pancreatic diseases. It can be used as a supportive treatment for diabetes to normalise carbohydrate metabolism and blood sugar levels.

DeMatrix "Protection from Allergies" regulates the functioning of the respiratory system. It has anti-allergic, anti-inflammatory and detoxifying properties. It relieves bronchial asthma, various types of allergies (pollen, food and animal allergies, etc.). It can be used to prevent the exacerbation of chronic bronchopulmonary diseases in the presence of risk factors (eg occupational hazards, smoking).

THERE'S A DEMATRIX PENDANT FOR EVERYONE!

DeMatrix "Coronavirus Prevention" is intended for the maintenance of human immunity. It can be used to prevent infections and alleviate a person's condition during an illness as an additional and complementary method of treatment. It has anti-inflammatory effects and promotes the elimination of toxins.

DeMatrix "Rehabilitation from Viral Infections" is recommended after a previous bacterial or viral infection, including coronavirus. It helps the body to restore its energy potential, to reduce the toxic load, to normalise the functioning of organs and body systems, to harmonize the psychological state and to activate the body's defense processes.

DeMatrix "Detox V" strengthens the body's resistance to pathogens, supports the immune and nervous systems, reduces the effects of poisoning (including drugs and heavy metals), reduces toxic load and normalises the psychological state. With any inflammatory process or acute/chronic poisoning, it is recommended to use for at least 6 months

DeMatrix "Healthy Liver" effectively improves liver and bile duct function. It is recommended for the relief of liver strain resulting from the intake of alcohol and chemicals, as an adjunct to the main methods of treatment for fatty liver and, in addition, for the prevention of gallstones.

NOW WE OFFER 14 DIRECTIONS OF DEMATRIX

DeMatrix "Male Health" supports the normal functioning of the urinary system, participates in reducing the potentially infectious load of the urogenital system, maintains full reproductive functioning for men, normalises prostate function, enhances libido and improves the quality of sexual intercourse. Recommended for use by both healthy men and men with sexual arousal problems.

DeMatrix "Female Health" improves blood circulation to the pelvic organs, inhibits the reproduction of pathogenic micro-flora and inflammatory processes, regulates hormonal balance and reduces pain during menstruation. It is recommended for women with painful menstruation, with an unstable cycle, during menopause and also where there is inflammation within the reproductive system.

DeMatrix "Healthy Kidneys" reduces inflammation and infectious load within the urinary system. It has an antiseptic and diuretic action and helps prevent the formation of stones within the urinary system. It is recommended where there are problems with the urinary system and for preventing the occurrence of chronic tubular interstitial nephritis.

DeMatrix "Healthy Heart" contributes to the improvement of the functioning of the cardiovascular system. It supports the healthy functioning of the heart, aiming to regulate the heart rhythm and ensure adequate blood supply to the heart muscle, to prevent vascular spasms and to participate in the normalisation of blood pressure. It is recommended for people with problems with the cardiovascular system, as well as for strengthening the heart after illnesses and during stress disorders.

DeMatrix "Healthy Stomach" normalises the activity of the stomach, liver and the primary part of the intestines. It limits the reproduction of pathogenic microflora, regulates acidity and has an antispastic and anti-inflammatory effect. It is recommended for people who have problems with the stomach or colon, or who suffer from belching or heartburn.

DeMatrix "Healthy Joints" has an analgesic and anti-inflammatory effect. It reduces pain, strengthens and regenerates connective tissue, and reduces pathogenic and toxic load on the musculoskeletal system. It is recommended for problems with the joints and spine

DeMatrix "Stop Stress" relieves nervous tension, effectively reduces stress, improves the psychological state, normalises sleep and supports the immune and endocrine systems. It is recommended for use in any stressful situations in everyday and professional activities.

DeMatrix "Clean Skin" has an antifungal, antibacterial and antiviral action. It reduces inflammation of the skin and internal organs, reduces the impact of stress on the digestive, immune and endocrine systems, and it normalises their work. It is recommended for use by people with skin, nail and hair problems.
